Advt. No. 12-22/NIVEDI/2020-21/

Dt.27.10.2020

ONLINE INTERVIEW

Online interview for Two positions of Research Associate One Position of Business Executive Nine positions of Young Professional-II, Three positions of Young Professional-I under various projects will be held on 10th & 11th November 2020 at 11.AM in ICAR-National Institute of Veterinary Epidemiology and Disease Informatics, Yelahanka, Bengaluru-560 064 and all the positions are co-terminus with the respective projects. Candidates are required to upload duly filled in applications along with testimonials to icarnivediemployment@gmail.com on or before 05-11-2020. Further, they are also informed that the candidates have to attend the interview online (Video conference) on 10th & 11th November 2020 at 11 a.m. onwards (time schedule will be mentioned to shortlisted candidates) (Applications may be downloaded from the website – www.nivedi.res.in), Interested candidates may visit www.nivedi.res.in for details.

The details of Educational qualification, experience & remuneration are shown below:

Sd/-
DIRECTOR

ICAR - NIVEDI - DETAILS OF ADVERTISEMENT FOR VARIOUS TEMPORARY POSTS

SI. No	Name of the project	Name of post No of Position	Education Qualification required	Desirable Experience	Remuneration	Age
1	2	3	4	5	6	7
1.	Development of an Early warning system for economically important livestock diseases	Research Associate (One Position)	PhD in Veterinary Parasitology/Veterinary Microbiology/Veterinary Pathology/Veterinary Medicine/Veterinary Epidemiology and Public Health/Veterinary Biostatistics OR M.V.Sc. in Veterinary Parasitology/Veterinary Microbiology/Veterinary Pathology/Veterinary Medicine/Veterinary Epidemiology and Public Health with minimum of three years' experience in research, teaching with at least one research paper in Science Citation Indexed (SCI) journal OR PhD in Bio-informatics/Bio-Statistics/Life Science	Experience in analysis of pathogen data. Experience with working with different GIS software like Arc GIS, ERDAS Imagine etc. Experience in handling genetic sequence data. Experience with working on programming languages like R, Python will be advantageous	54000 (Depending on the qualification and experience) Plus HRA as per norms	40 Years for Men and 45 years for women
2.		Research Associate (One Position)	PhD in Veterinary Extension/ Veterinary Biostatistics/ Agriculture extension OR M.V.Sc. in Animal Husbandry extension/ Biostatistics with minimum of three years' experience in research, teaching with at least one research paper in Science Citation Indexed (SCI) Journal	Experience in conducting questionnaire-based surveys and use of participatory tools will be preferred	54000 (Depending on the qualification and experience) Plus HRA as per norms	40 Years for Men and 45 years for women
3.	Rashtriya Krishi Vikas Yojana – Remunerative Approaches for Agriculture and Allied Sector Rejuvenation (RKVY-RAFTAAR)	Business Executive (One Position)	Master degree with IP experience/ MBA/MCA/B tech/ Equivalent Master degree from recognized university.	Good verbal and written communication skills. Strong literacy in computer, MS Office and Internet.	Rs.30,000/- Consolidated Per month	Minimum age 25 years and Maximum age 45 years as on the date of Advertisement
4.	Understanding nucleotide sequence variation and dynamics of serotype distribution in the epidemiology of bluetongue in Karnataka	Young Professional II (One Position)	MVSc/MSc (Ag)/MSc in Biotechnology, Microbiology, Pathology, Parasitology	Person with working experience in molecular biology and animal cell culture will be preferred	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement

5.	Institute (Technical Cell)	Young Professional I (One Position)	Graduate in Agricultural Science OR Diploma holder in Engineering /Technology or its equivalent	Person with working experience in handling & Maintenance of files, documents & its managements Experience in computer skills word, power point, Excel etc draft letter email communication skills	Rs. 15000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement
6.	Estimation of Economic Loss of Sheep and Goat Pox in Endemic States of India	Young Professional II (One Position)	Postgraduate in Veterinary Science Extension/Dairy Extension/Animal Husbandry Extension/Agricultural Economics/Livestock Economics/Agricultural Extension/Agricultural Statistics from recognized University or its equivalent	Good command in English with scientific writing skill Experience in Undertaking survey work	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.
7.	Development and validation of novel multiplex sero- diagnostic assay for diagnosis of Porcine Respiratory Disease Complex	Young Professional II (One Position)	Postgraduate degree in agriculture/ M. Sc in biotechnology/Microbiology/ Biological/Life Science OR Graduate degree holder in BTech biotechnology/Veterinary science or its equivalent	Hands on experience of cloning expression ELISA etc.,	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.
8.	Understanding the carrier status of small ruminants in endemic areas to Pasteurella multocida	Young Professional II (One Position)	Postgraduate in Science or Graduate degree holder in technology/Veterinary science or its equivalent	Experience in molecular techniques like PCR and conventional microbiology techniques, Animal sampling	Rs.25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.
9.	Institute Project on Sheep and Goat pox	Young Professional II (One Position)	Postgraduate degree in Agriculture/ M. Sc in biotechnology/Microbiology/ Biological/Life Science OR relevant master's degree or its equivalent	Desirable: Laboratory /working and hands on experience in molecular diagnostic assays such as cell culture, virus isolation, cloning and expression, hands on experience in ELISA and PCR. Working knowledge in computers with basic bioinformatic analysis.	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.
10.	Epidemiological surveillance of transmission foci of fasciolosis	Young Professional – I (One Position)	Graduate in Agricultural Science	Experience in molecular techniques	Rs. 15000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.

11.	Assessment of Adoption of Biosecurity Practices for Prevention of Infectious Diseases of ruminants in Southern India	Young Professional – II (One Position)	Postgraduate in Agricultural Science or MSc in Biotechnology, Microbiology, Pathology, Parasitology or its equivalent	Experience in undertaking survey experience in computer skill, word, power point excel, draft letter mail, communication skill in English, Kannada	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.
12.	SCSP	Young Professional – I (One Position)	Graduate in Agricultural Science OR Science or its equivalent	Experience in undertaking survey communication skill good in English, Kannada with scientific writing skill, computer skill, word, power point excel, draft letter mail	Rs. 15000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.
13.	Economic Impact of Bluetongue Virus (BTV) in Sheep	Young Professional – II (One Position)	Postgraduate in Agricultural Science or Economics, Statistics, extension computer application	Experience in undertaking survey, Data analysis and good communication skill	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement
14.	Institute (Electrical)	Young Professional – II (One Position)	Graduate degree holder in Electrical/Electronic engineering	3 Years' working experience in Govt Organization/Research Institutes	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.
15.	Director Cell	Young Professional – II (One Position)	Postgraduate in MBA (English) OR Masters degree with good command over English. Basic Knowledge in computer applications. Preferably MBA, Advanced training/certificate communication in Computer Applications.	_____	Rs. 25000/- PM Consolidated	Minimum age 21 years and Maximum age 45 years as on the date of Advertisement.

Note: Positions may increase or decrease depending upon the need of the Institute
