

User Manual for LH-DCP

भाकृ अनुप - रापजसुविसं
ICAR-NIVEDI

1. Open Website Nadres v2 by visiting the below link.

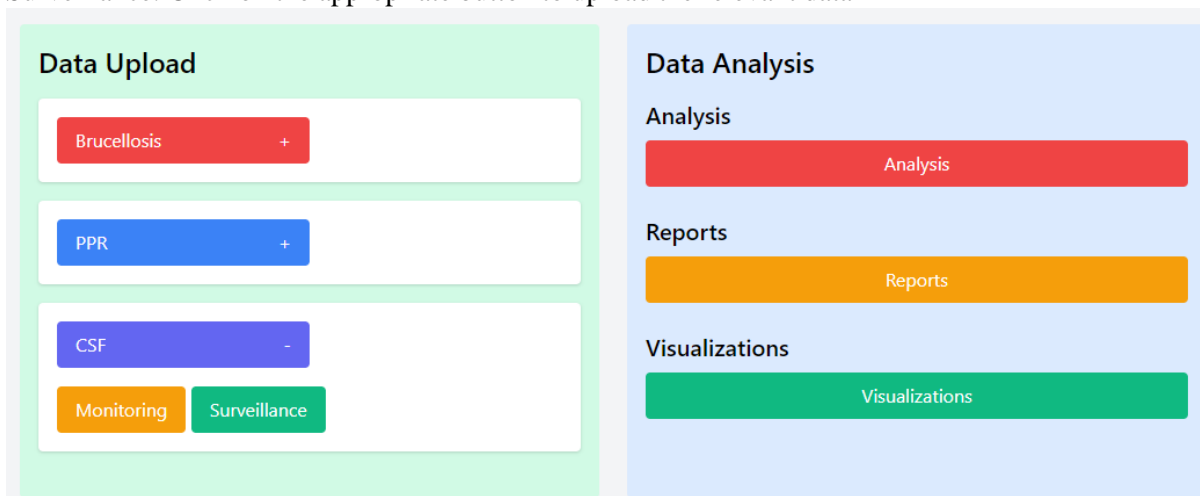

https://nivedi.res.in/Nadres_v2/

2. Navigate to the LH-DCP Web Portal Section which is in Right Nav Bar and click on it.

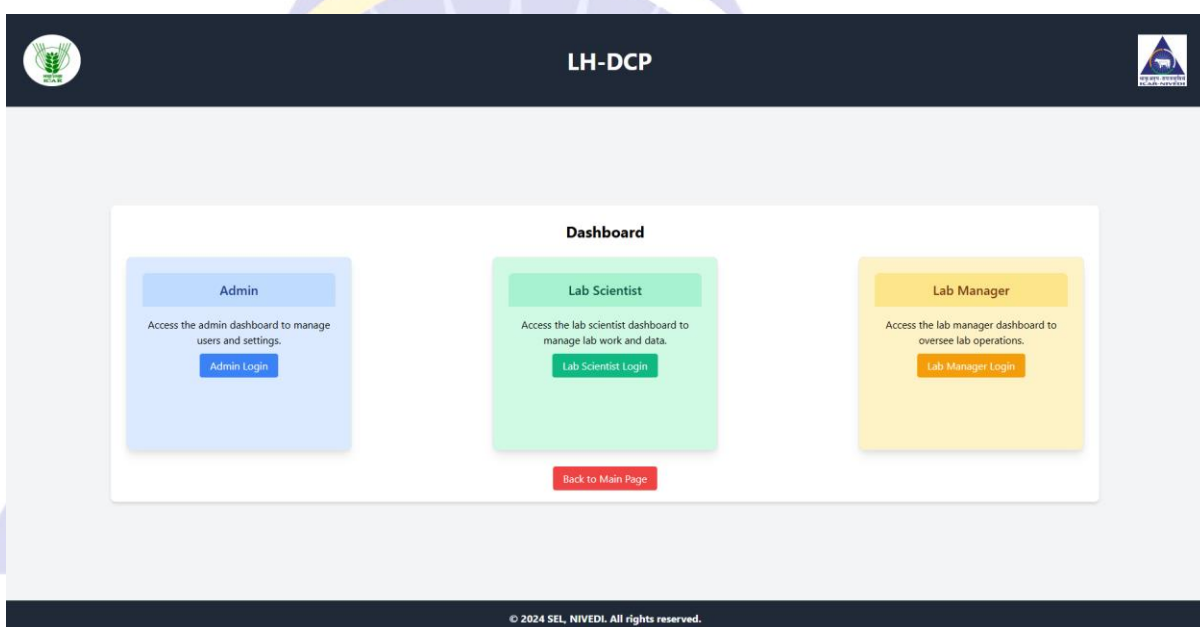

3. Once you click on LH-DCP Web Portal Section it will redirect to LH-DCP Landing Page

- Once you access the LH-DCP Web Portal, click on the disease name for which you want to upload data. After selecting the disease, you will see two more buttons: Monitoring and Surveillance. Click on the appropriate button to upload the relevant data

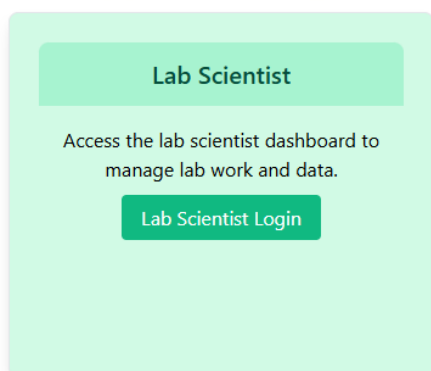

- Upon clicking Monitoring, you will be redirected to the following page

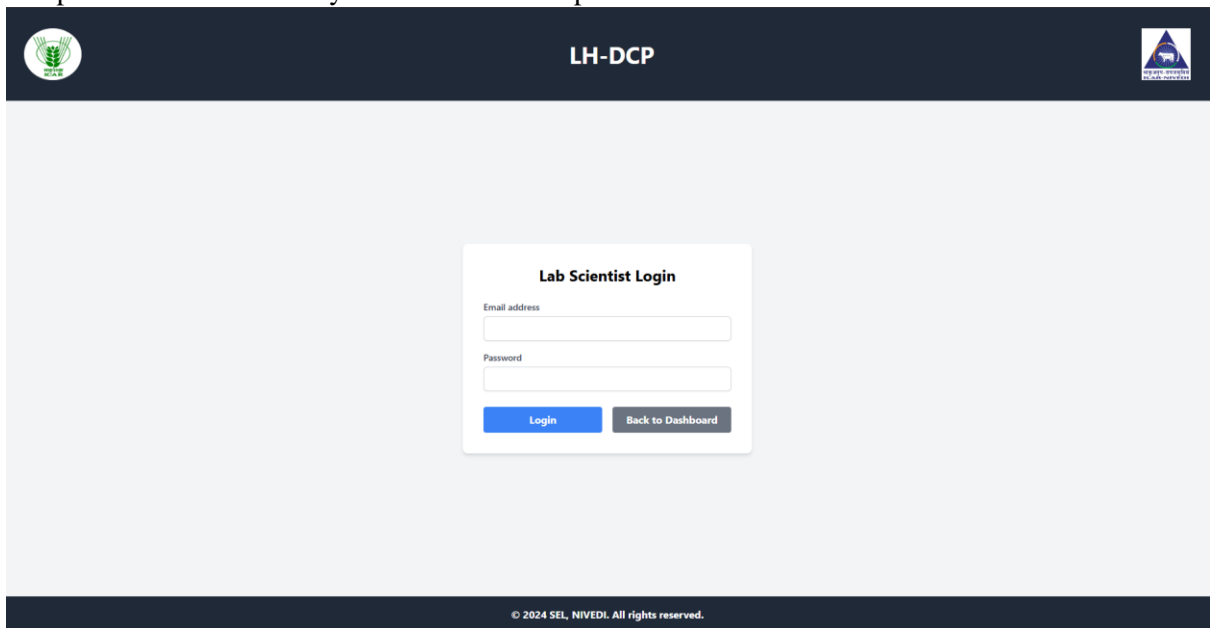

Lab Scientist Process

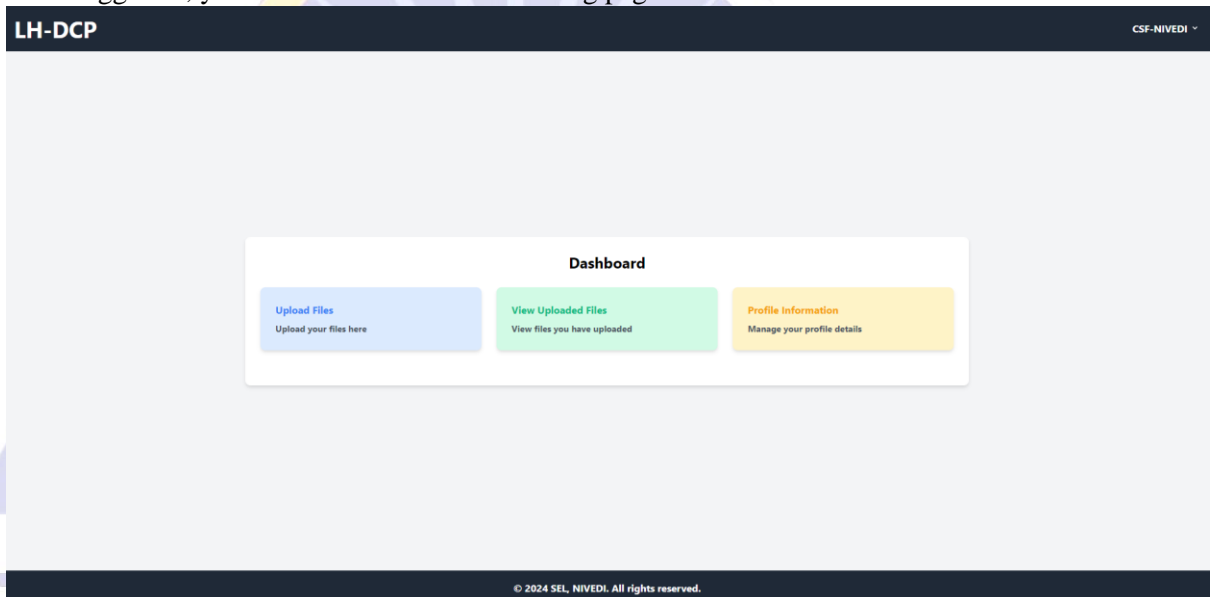

- To upload the data file, navigate to the Lab Scientist Login and click the button

2. After clicking on Lab Scientist Login, you will be redirected to the login page for lab scientists to upload the data. Enter your email ID and password to access the Lab Scientist Portal

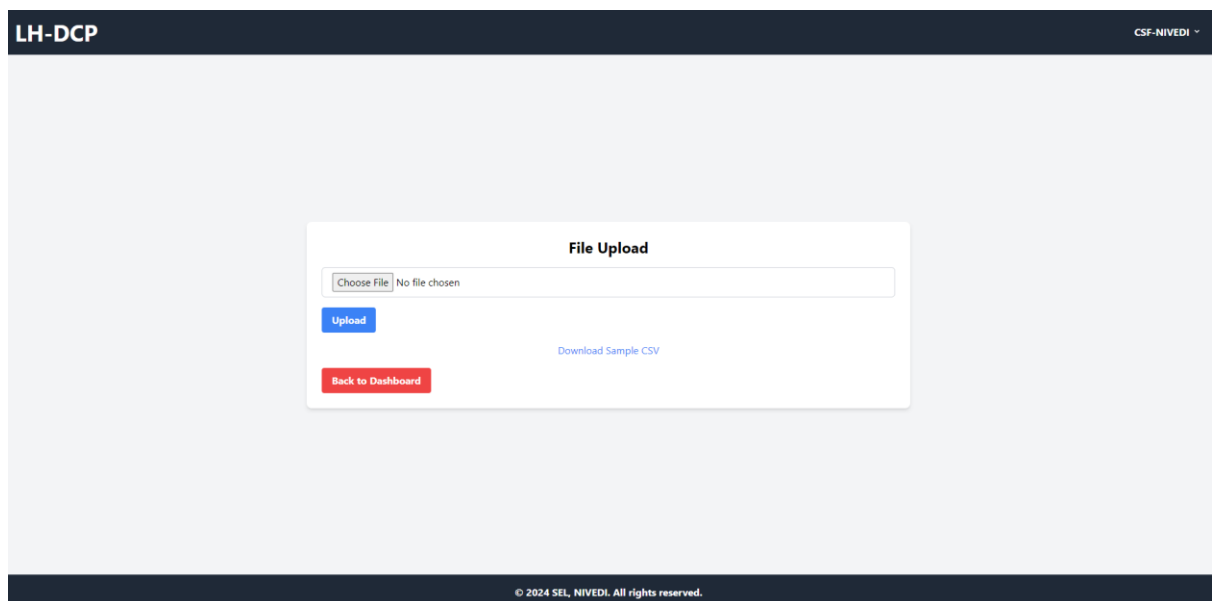

3. Once logged in, you will be taken to the following page

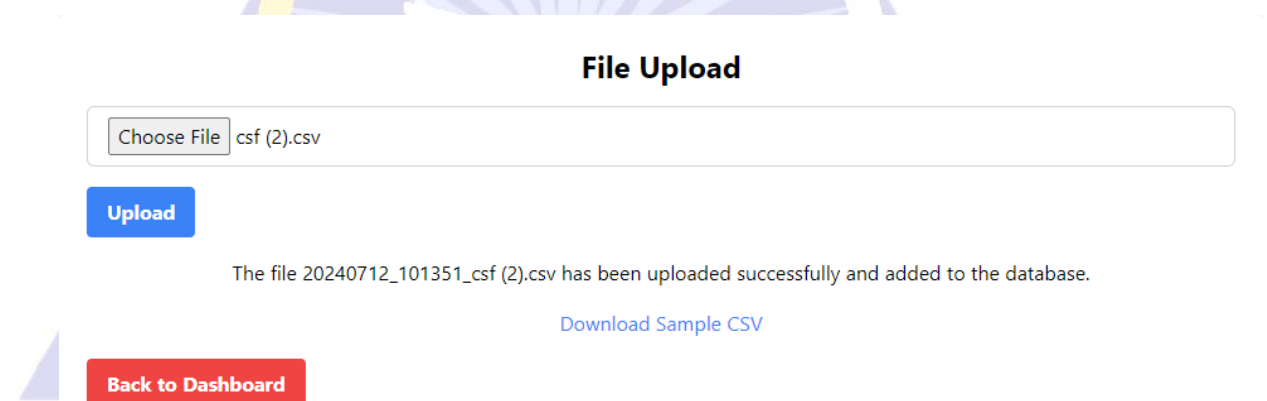

4. Click on Upload Files to go to the upload file page

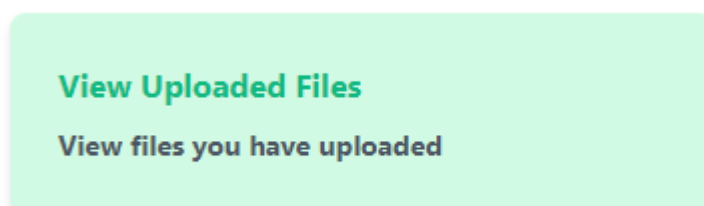

- By clicking on Upload Files, you will be taken to the upload file page and There is a Download Sample CSV File option; click it to download the sample format for data upload

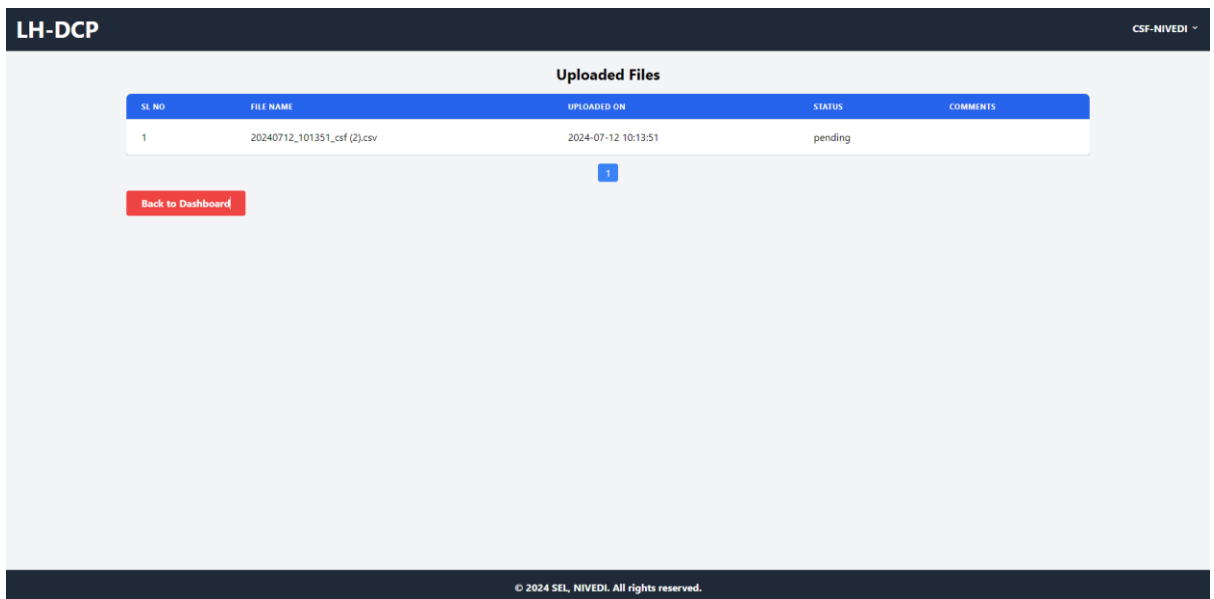

- Once the file is ready, click on Choose File to select the file, then click the Upload button to upload it

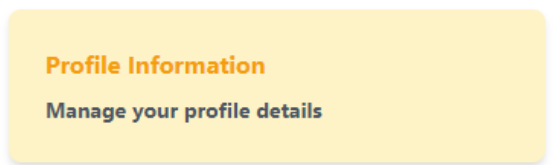

- Once the file is uploaded, a success message will appear and then click on Back to Dashboard to return to the main page
- Click on view Upload Files to go to view the upload files

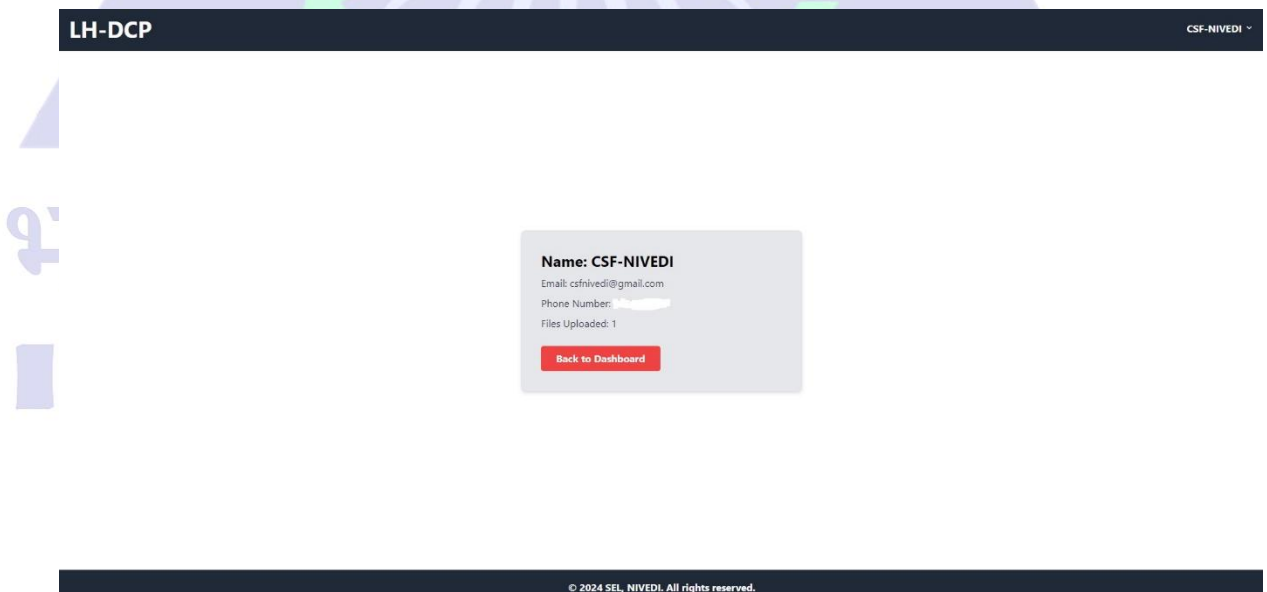

- Once you navigate to the View Uploaded Files page, you will see the status of the uploaded file

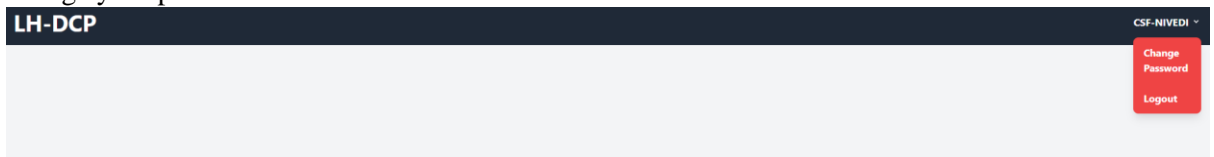

- Once finished, click on Back to Dashboard to return to the main page
- Then click on Profile Information.

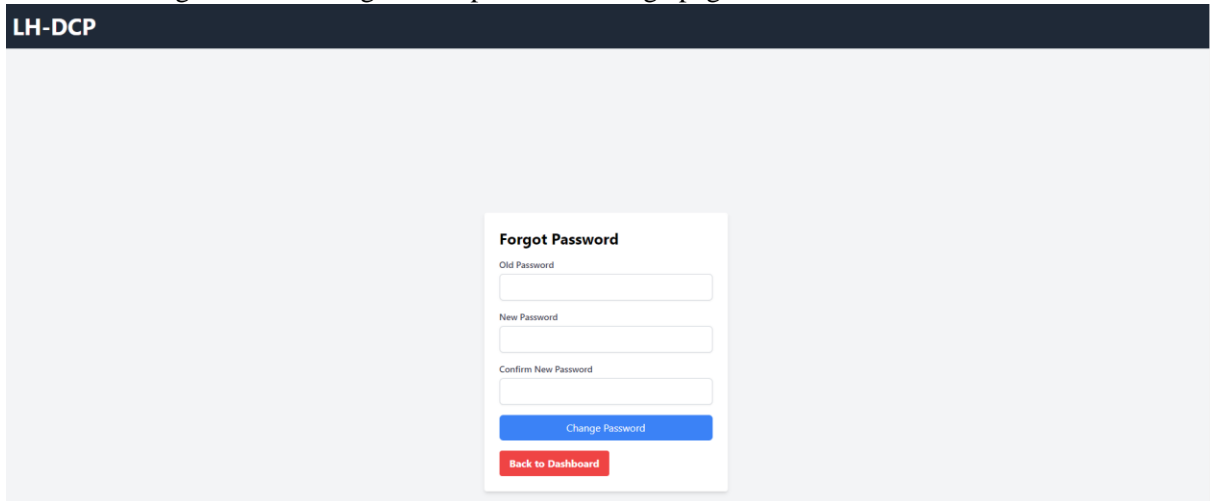

- You will then be directed to the Profile Information page, where you can view the number of files you have uploaded.

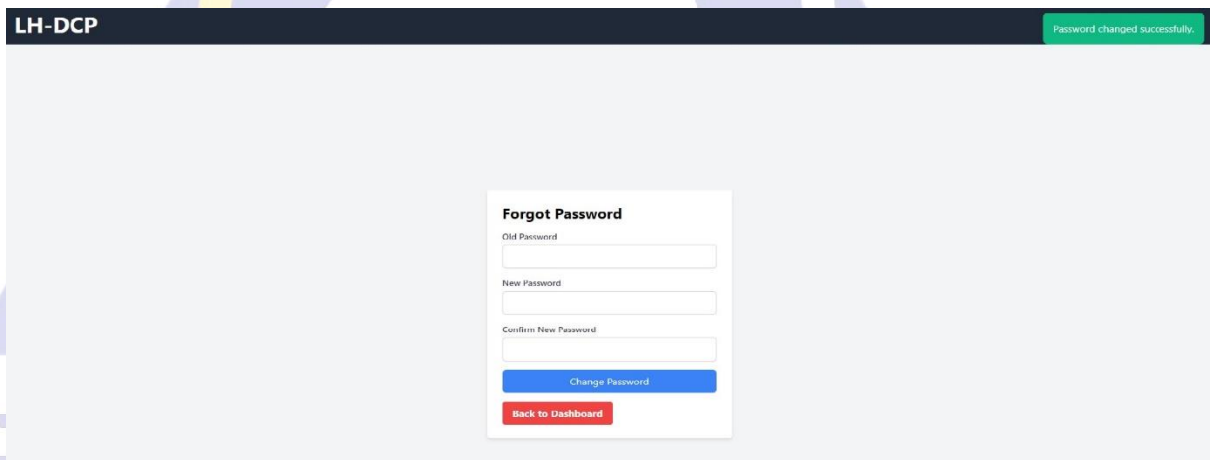

13. Then click on Back to Dashboard to return to the main page, and click on your username to change your password.

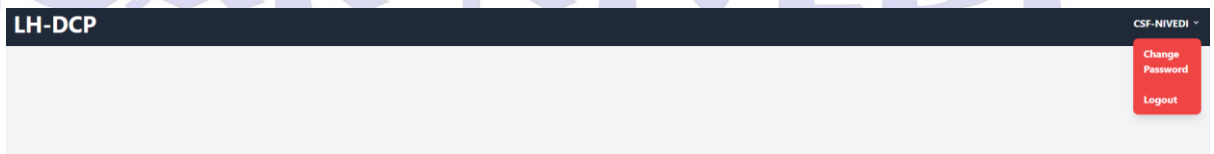

14. Click on Change Password to go to the password change page

15. Once you access the page, enter your old password, followed by your new password and confirmation. Then click on Change Password. After clicking, a success message will appear confirming the password change

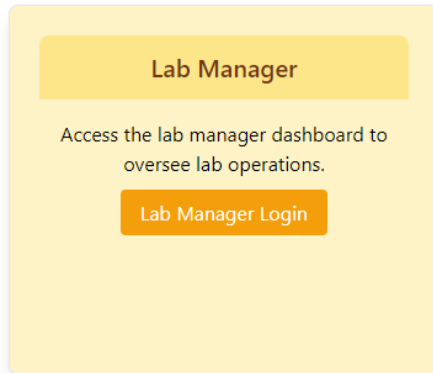

16. Once the password change is successful, click on Back to Dashboard to return to the main page and click on your username to Logout

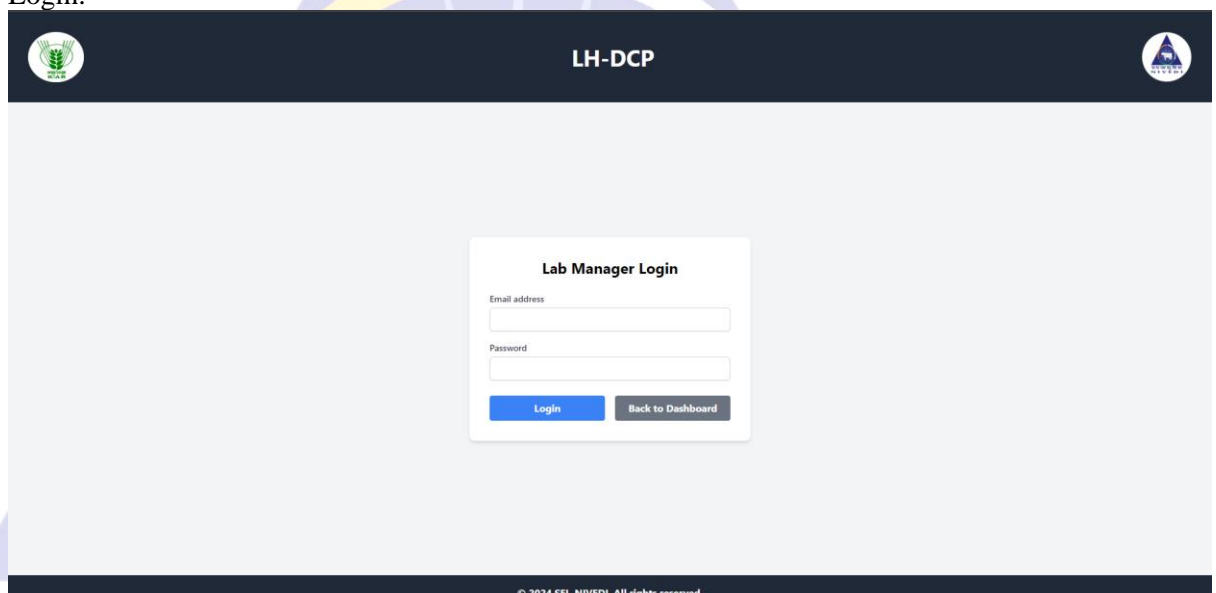

17. Once you log out, the Lab Scientist process will be complete

Lab Manager

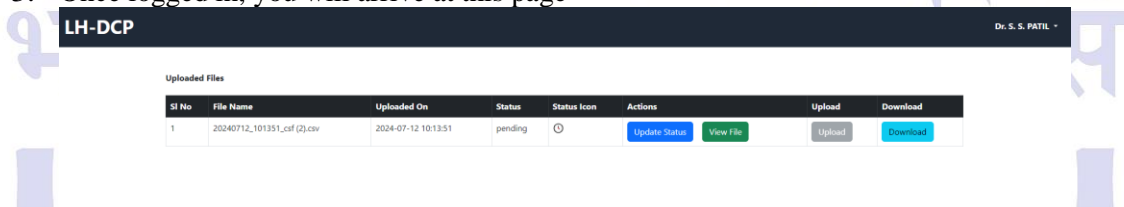

1. For Lab Manager access, click on Lab Manager Login to go to the manager's login page.

2. Once on the login page, enter the email ID and password for the Lab Manager, then click on Login.

3. Once logged in, you will arrive at this page

- Click on View Files to see the files uploaded by the lab scientist.
