

F. No. 12-22/NIVDEI/20-21/Vol.V

18th February, 2022

OFFICE MEMORANDUM

To tide over and better manage covid-19 pandemic situation, Government of India had to spend huge fund, impact of which resulted in reduction of fund from all programmes in all Ministries. Obviously due to the budget reduction, ICAR had little option but to limit the Revised Expenditure allocation of all the SMDs. Accordingly, for ICAR-NIVEDI, there was a drastic reduction of fund allocation which has put the Institute in a difficult situation for ensuring smooth functioning.

Keeping in view of the fund constraints and impending inconvenience of all concerned, it is decided that in supersession of all earlier orders issued in this regards, the term of all the Young Professionals (YP-I & II), other than those working in externally funded projects, will be upto 31st March 2022 only. However, from 1st April 2022, need based minimal contractual manpower in the form of Yong Professionals will be freshly recruited to support the Institutional research/extension activities.

Further, it is also informed that due to the fund shortage, on time payment of remuneration to the Young Professionals for the month of February & March 2022 may not be possible, however, which will be paid in the first quarter of next financial year i.e., FY 2022-23.

Further, the clause for one-month notice from the part of the YPs' for resignation is also waved off till 31.03.2022.

For smooth functioning of the Institute, cooperation from all the concerned is solicited. This is issued with the approval of the Director
