

ICAR-National Institute of Veterinary Epidemiology and Disease Informatics

Report on Celebration of “Agricultural Education Day” on 3rd December, 2020

ICAR-NIVEDI, Bengaluru celebrated “Agricultural Education Day” to commemorate the birth anniversary of first President of India and first Union Agriculture Minister, Bharat Ratna, Dr. Rajendra Prasad. Programme began with ICAR song. Dr. S. S. Patil, Principal Scientist presented the importance and opportunities in Veterinary Education. Dr. B. R Shome, Director (Acting) of the institute while addressing the Scientists stressed the need to create awareness about Veterinary education and the absorption of the graduates in various fields of both government and private organizations so as to cater the needs of farmers of rural areas. Dr Shome also emphasised to start the diploma courses of Veterinary Epidemiology at ICAR-NIVEDI sooner after having discussions with ICAR Institutes /Universities for capacity building in the area of Veterinary Epidemiology. Dr. Jagadish Hiremath, Senior Scientist proposed vote of thanks. Programme ended taking a group photo.
