

Report on Covid – 19 Vaccination campaign at ICAR-NIVEDI on 24.09.2021

ICAR-NIVEDI has conducted COVID 19 Vaccination camp to all the eligible employees of the Institute on 24th Sept. 2021 at Institute Medical unit. The 2nd dose of vaccination to 127 staff members was performed with COVISHEILD vaccine by Rajankunte Primary Health Care Centre, Rajankunte, Bangalore-North. The nasal and throat swabs were also collected from 113 staff members for covid 19 testing by RT-PCR. Medical Officer (Dr. B. Madavi) of the Primary Health Centre was instrumental for smooth conduct of the campaign and extended all support for 100% vaccination of the staff in the campus. The Director, Medical officer (Dr. Sakey Srinivas) and Dr. Rajeswari Shome, I/c Medical Unit of ICAR-NIVEDI felicitated doctor and the vaccinators for their support and cooperation.

The camp was successfully ended with vaccinating 127 members and swabs collection of 113 staff members. Some of the snaps taken is attached herewith for your reference.
