Date: 19.05.2017

WALK IN INTERVIEW

A Walk in interview for one position of Research Associate, two positions of Junior Research Fellow, two positions of Young Professional-II and thirteen positions of Young Professional-I purely on contract basis under various projects will be held at 10.30 a.m on 30.05.2017 at ICAR-National Institute of Veterinary Epidemiology and Disease Informatics, Ramagondanahalli, Yelahanka, Bengaluru-560 064 and all the positions are co-terminus with the respective projects. Candidates are required to bring testimonials in original and one set of self-attested copies of testimonials & one passport size colour photo along with completed application form (which may be downloaded from the website – www.nivedi.res.in), at the time of interview.

The details of Education qualification required, experience & remuneration are shown below:

SI. No	Name of the Project	Name of post No of Position	Education qualification required	Experience desirable	Remuneration	Age
1	2	3	4	5	6	7
	DBT Network Project on Brucellosis (PMU)	Research Associate (One position)	Ph.D. in Veterinary Microbiology /Pathology/Parasitology/Public health /any other basic science with research work animal diseases	Working in experience in research on animal diseases. The candidates with project management data analysis with computer skills will be preferred/	Rs.36,000 to Rs.40000/- +HRA (depending on qualification and experience)	40 years for men and 45 years for women as on the date of advertisement
2.	DBT twinning project on Bluetongue	Junior Research Fellow (One position)	M.V.Sc Microbiology/M.V.Sc. Biotechnology/M.Tech.(Biotech) OR M.Sc. Microbiology/Biotechnology/ with NET or DBT BET qualified	Working experience in Cell Culture, ELISA, Molecular biology and bioinformatics	Rs. 25,000 + HRA pm	40 years for men and 45 years for women as on the date of advertisement
3	BBSRC-DBT- FADH project	Junior Research Fellow	M.V.Sc Microbiology/ Biotechnology/M.Tech Biotechnology OR M.Sc Microbiology/ Biotechnology/ with NET or DBT BET qualified	Working experience in Cell culture, ELISA, Molecular biology and bioinformatics	Rs. 25,000 + HRA pm	40 years for men and 45 years for women as on the date of advertisement
4.	DADF sponsored Brucellosis Control Program (B-CP)	Young Professional-I (Two positions)	Graduate in Agricultural Science OR M.Sc in Biochemistry/ Biotechnology /Microbiology/Life Science	1 .Laboratory experience working with serological tests and disease diagnosis 2. Experience in statistical data analysis 3. Knowledge in computer applications tools	Rs.15000/- (Consolidated) p.m.	21-45 years with relaxation as per rules on the date of advertisement
5.	Institute (Electrical Maintenance Work)	Young Professional-II (One position)	Graduate degree in Engineering/Technology (Electrical)	1-2 years' experience in ICAR Institutes	Rs.25000/- (Consolidated) p.m.	21-45 years with relaxation as per rules on the date of advertisement
6	Institute (Mechanical/ Instrumentation Maintenance Work)	Young Professional-II (One position)	Graduate degree in Engineering/Technology (Mechanical)	1-2 years' experience in ICAR institutes	Rs.25000/- (Consolidated) p.m.	21-45 years with relaxation as per rules on the date of advertisement
7	Institute (Mechanical/ Instrumentation Maintenance Work)	Young Professional-I (One position)	Diploma in Engineering/ Technology (Mechanical)	1-2 years' experience in ICAR institutes	Rs.15000/- (Consolidated) p.m.	21-45 years with relaxation as per rules on the date of advertisement
8.	Institute (Civil Work)	Young Professional-I (One position)	Diploma in Engineering/ Technology (Civil)	1-2 years' experience in ICAR institutes	Rs.15000/- (Consolidated) p.m.	21-45 years with relaxation as per rules on the date of advertisement

9	Institute (Dispensary)	Young Professional-I (Staff Nurse) (One position)	General Nursing Midwifery/B.Sc Nursing/Diploma in Nursing	1-2 years working experience in reputed Hospitals	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
10	NADRES	Young Professional-I (One position)	Diploma in Engg/Technology (Biotechnology)	At least six months experience in handling disease data analysis	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
11	Disease Informatics Lab	Young Professional-I (One position)	Diploma in Engineering/ Technology (Biotechnology)	At least six months experience in handling disease data analysis	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
12	Institute project on "Epidemiology of Porcine reproductive and Respiratory Syndrome Virus in India"	Young Professional-I (One position)	Graduate in Agricultural Science OR M.Sc in Microbiology/ Biochemistry/ Biotechnology/ Genetics/other biological sciences	Laboratory experience working with serological tests, molecular techniques in disease diagnosis and computer application tools will be preferred	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
13	Institute project on "Impact analysis of sheep and goat pox in endemic states of India	Young Professional-I (One position)	B.Sc(Ag) / B.V.Sc (Veterinary Science)	1.Expertise in statistical techniques using SPSS, SAS, etc 2. Proficiency in computer skills 3. Knowledge in mathematical modelling	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
14	AICRP on ADMAS	Young Professional-I (One position)	Graduate in Agricultural Science OR M.Sc (Microbiology)	Person with a working knowledge in AICRP of animal health related projects and also data base management	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
15	Serum Bank	Young Professional-I (One position)	Graduate in Agricultural Science OR Bachelor of Computer Application	Person with a working knowledge in data base development and management	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
16.	ERP-FMS/MIS/ITMU	Young Professional-I (One position)	Diploma in Engineering/ Technology (Computer Science and Applications or equivalent)	Work experience with use of ERP (FMS/MIS system) in ICAR Institute/Public/ Private organisations	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
17.	Institute project on Sero epidemiology of Infectious Bovine Rhinotracheitis in India and Development of assay for detection of antibodies against Classical swine fever virus infection in Pigs	Young Professional-I (One position)	Graduate in Agricultural Science OR M.Sc. (Microbiology/ Biotechnology/ Biochemistry)	ELISA assembling of diagnostic kit and its dispatch ELISA, Cloning and transformation, expression studies, SDS-PAGE, Protein purification	Rs.15000/- (Consolidated) p.m	21-45 years with relaxation as per rules on the date of advertisement
