21.3 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the bidder in the bid form. Withdrawal of a bid during this interval may result in forfeiture of the Bidder's bid security pursuant to ITB clause 15.7.

E. ONLINE BID OPENING AND ONLINE BID EVALUATION

22. Opening of online bids by purchaser

22.1 The purchaser will open the online bids on the date and time specified in the online bid documents. If the specified date of online bid opening is declared a holiday for the purchaser, the online bids shall be opened at the appointed time and location on the next working day.

23 Clarification of online bids

23.1 During scrutiny and evaluation of online bids, the purchaser may, at its discretion, ask a bidder for a clarification of its online bid. The request for clarification and the response shall be in writing and no change in the price or substance of the online bid shall be sought, offered or permitted.

24. Preliminary examination of online bids-unresponsive, substantially responsive & responsive bids

- 24.1 The purchaser will examine the online bids to determine whether they are complete, whether the required bid validity is available, whether any computational error have been made, whether required bid Security has been furnished, whether the documents have been properly signed, and whether the online bids are generally in order. While examining the online bids, the purchaser will also keep in view the requirements as per ITB Clause 8.
- 24.2 Arithmetical errors, if any, in an online bid will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected accordingly. If there is a discrepancy between the words and figures, the amount in words shall prevail. If the supplier does not accept the correction of such error, its online bid will be rejected.
- 24.3 Prior to the detailed evaluation pursuant to ITB clause 26, the purchaser will determine the substantial responsiveness of each online bid to the online bidding documents. A substantially responsive online bid is one which conforms to all the requirements and terms & conditions of the online bidding documents, including the specification and technical parameters of the goods as projected in the online bidding document, without material deviations. Deviations from or objections or reservations to the online bidding documents critical provisions, such as those concerning bid validity, technical specification, performance security, warranty obligations, Force Majeure, taxes & duties and applicable law (governing the contract) will be deemed to be material deviations. Bids from an agent without proper authorization from the manufacturer as per ITB clause 13.2(a), shall be treated as non-responsive.

The purchaser's determination of an online bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

- 24.4 The purchaser may waive any minor infirmity, non-conformity or irregularity in a online bid, which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.
- 24.5 The conclusion drawn by the purchaser as to the substantial responsiveness or otherwise of a bid or consideration of a minor infirmity or non-conformity or irregularity in a bid is final.
- 24.6 If an online bid is determined as not substantially responsive, it will be rejected by the purchaser and may not subsequently be made responsive by the bidder by correction of the non-conformity.

24.7 **SHOULD HAVE A MATCHING PRODUCT LITERATURE AVAILABLE ONLINE/MANUFACTURER'S WEBSITE.**

25. Conversion to single currency

- 25.1 To facilitate evaluation and comparison of bids, the purchaser will convert all bid prices expressed in the amounts in various currencies in which the bid prices are payable, to Indian rupees at the BC selling market rate of exchange established by the State Bank Of India for similar transactions as on the date of bid opening.

26. Evaluation and comparison of online bids

- 26.1 The purchaser will evaluate and compare the online bids, which have been determined to be substantially responsive, pursuant to ITB clause 24 for each **schedule separately**. The online bid for a schedule will not be considered if the complete requirements covered in

the schedule is not included in the bid. However, as stated in ITB clause 10, bidders are allowed the option to bid for any one or more schedule and to offer discounts for combined schedules. These discounts will be taken into account in the evaluation of the online bids so as to determine the online bid or combination of online bids offering the lowest evaluated cost for the purchaser in deciding award(s) for each schedule.

- 26.2 The comparison shall be on CIP/CIF/FOR destination basis, duly delivered and commissioned (as the case may be) at the destination.
- 26.3 The purchaser's evaluation of an online bid will include and take into account, in addition to online bid price and price of the incidental services:
- a) In the case of goods manufactured in India or goods of foreign origin already located in India, G.S.T & other similar duties, which will be payable on the goods if a contract is awarded to the bidder.
 - b) In case of goods of foreign origin offered from abroad, customs duties and other similar import duties/taxes, which will be payable on the goods if the contract is awarded to the bidder.
- 26.4 The purchaser's evaluation of online bid will also take account the following factors in the manner and to the extent specified in the **Schedule of Requirements** and amplified in ITB clause 26.5:
- a. Cost of inland transportation, insurance and other costs within India incidental to delivery of the goods to their final destination as stipulated in the **Schedule of Requirements**.
 - b. Delivery schedule offered in the online bid,
 - c. the cost of components, spare parts and service,
 - d. the availability of spare parts and after-sale service in India for the goods offered in the online bid.

- e. The projected operating and maintenance cost during the life of the equipment.
- f. Specific additional criteria.

26.5 Pursuant to clause 26.4, following evaluation methods will be followed:

a) **Inland transportation, insurance and incidentals:**

Bidder shall quote separately for inland transportation, insurance and other incidentals for delivery of goods to required destination as already indicated in the **Schedule of Requirements**. These Costs, incurred in India, shall be quoted in Indian currency. Such cost will be added by the purchaser to the EXW/CIF/CIP bid price.

b) **Delivery Schedule :**

The purchaser requires that the goods mentioned in the „Schedule of Requirements“ shall be delivered at the destination within the time schedule specified therein. As and if necessary, the estimated time of arrival of goods from ex-works/port of entry to the destination will be calculated by the purchaser for each bid after allowing for reasonable transportation time based on the published tariff of Railways, appropriate Road Transport Agencies etc. Bids offering deliveries (as worked out on above lines), which are later than the specified delivery but within the allowable range (as specified in the **Schedule of Requirements**) will be adjusted during the evaluation by adding a factor equal to the percentage specified in the **Schedule of Requirements**, to the EXW/CIF/CIP price per week of variation from the specified delivery schedule.

c) **Cost of components and spare parts :**

- i) the list of items and quantities of major assemblies, components and selected spare parts, likely to be required during the initial period off operation as specified in the **Schedule of Requirements**, is annexed to the Technical specification. The total cost of these items, at the unit prices quoted in each online bid, will be added to the bid price.

OR

- ii) The purchaser will draw up a list of high usage and high value items of components and spare parts, along with the estimated quantities of usage in the initial period of operation as indicated in the Schedule of Requirements. The total cost of these items and quantities will be computed from the corresponding unit prices quoted by the bidder and added to the bid price.

- iii) the purchaser will estimate that cost of spare parts usage in the initial period of operation specified in the Schedule of Requirements, based on the information furnished by each bidder, as well as on the past experience of the purchaser or other purchaser in similar situations. Such costs shall be added in the bid price for evaluation.

d. **Availability of spare parts and after sales service facilities in India:**

The cost to the purchaser of establishing the required service facilities and parts inventories, as outlined in the Schedule of Requirements of elsewhere in the online bidding documents, if quoted separately, shall be added to the online bid price.

e. **The projected operating and maintenance cost during the life of the equipment:**

These costs, which form a major portion of the life cycle cost of the equipment, will be evaluated in accordance with the criteria specified in the **Schedule of Requirements** and/or in the Technical Specifications.

f. **Specific additional criteria:**

Other specific additional criteria to be considered in the online bid evaluation and the corresponding evaluation method shall be incorporated in the **Schedule of Requirements** and/or in the Technical Specifications.

27. Bidder's capability to perform the contract

- 27.1 The purchaser will determine to its satisfaction whether the bidder, which is selected as having submitted the lowest evaluated responsive bid, is qualified and prima facie capable to perform the contract satisfactorily.
- 27.2 The determination will take into account the bidder's financial, technical and production capabilities for fulfilling all the requirements of the purchaser as specified in the online bidding documents. This exercise will be based upon the examination of the documentary evidence of the bidder's qualifications submitted by the bidder, pursuant to ITB clause 2 and 13, as well as such other allied information as the purchaser deems necessary and appropriate.
- 27.3 An affirmative determination will be a prerequisite for award of the contract to the bidder. A negative determination will result in rejection of the bidder's bid, in which event the purchaser will proceed to the next lowest evaluated bid to make a similar determination of the bidder's capabilities to perform satisfactorily.

28. Purchaser's right to vary quantities at the time of award.

- 28.1 The purchaser reserves the right at the time of awarding the contract to increase or decrease by up to 25%, the quantity of goods and services specified in the schedule of requirements without any change in the unit price or other terms and conditions.

29. Contacting the purchaser

- 29.1 From the time of the online bid opening to the time of awarding the contract, if a bidder wishes to contact the purchaser on any matter related to the online bid, it should do so in writing.
- 29.2 Any effort by a bidder to influence the purchaser in the purchaser's decision on online bid evaluation, bid comparison or contract award shall result in the rejection of the bidder's online bid, besides other suitable administrative actions against the bidder, as deemed fit by the purchaser.

F. AWARD OF CONTRACT

30 Award Criteria

- 30.1 Subject to ITB clause 28, the purchaser will award the contract to the successful bidder whose bid has been determined as the lowest evaluated bid, provided further that the bidder is determined to be qualified and prima capable to perform the contract satisfactorily.

31. Purchaser's right to accept any online bid and to reject any or all online bids

- 31.1 The purchaser reserves the right to accept or reject any online bid and to annul the bidding process and reject all online bids at any time prior to the award of contract, Without thereby incurring any liability, whatsoever, to the affected bidder or bidders.

32. Notification of award

- 32.1 Before the expiry of the period of bid validity, the purchaser will notify the successful bidder in writing, by registered letter or by cable/fax/telegram/telex, to be confirmed in writing by registered letter that its bid has been accepted. The schedule(s) of requirement and the corresponding quantity of the item(s) ordered, which has been accepted, will, inter-alia, be mentioned in the notification.
- 32.2 The notification of award will constitute the formation of the contract.
- 32.3 Upon the successful bidder's furnishing the performance security, pursuant to ITB clause 34, the purchaser will promptly notify each unsuccessful bidder and will discharge its bid security, pursuant to ITB clause 15.

33. Signing of contract

- 33.1 At the same time as purchaser notifies the successful bidder that its bid has been accepted, the purchaser will send to the bidder by registered post or speed post, the contract form provided in the bidding documents, incorporating all agreements between the parties.
- 33.2 Within twenty –one (21) days of issue of the contract from by the purchaser, the successful bidder shall sign and date the contract and return it to the purchaser by registered post or speed post.

34. Performance security

- 34.1 Within twenty-one (21) days of the issue of notification of award by the purchaser, the successful bidder shall furnish the performance security in accordance with and as per the instructions incorporated in the general conditions of contract with regard to performance security.
- 34.2 Failure of the successful bidder to comply with the requirement of clause 33 or clause 34 shall constitute sufficient grounds for annulment of the award and forfeiture of the bid security, in which even the purchaser may make the award to the next lowest evaluated bidder or call for new bids.

Within 24 hours of shipment, the supplier shall notify the purchaser and its nominated authorities (as specified in the contract) and the insurance company by cable or telex or fax, the full details of the shipment including contract number, description of goods, quantity, the vessel, the bill of lading number and date/airway bill number and date, port of loading, date of shipment, port of discharge, expected date of arrival at the port of entry etc. Further, the supplier shall also immediately dispatch by registered air-mail the specified number of copies of the following documents to the above authorities:

- i) Supplier’s invoice showing contract number, description of goods, quantity, unit price and total amount;
- ii) Original and copies of the negotiable, clean, on-board bill of lading marked freight to pay and copies of non-negotiable bill of lading;

OR

Original and copies of the negotiable Airway bill marked freight to pay and copies of non-negotiable airway bill.

(In technical bid, whether price quoted is for Sea freight or Air freight may be indicated clearly.

Amount of Sea freight/insurance or airfreight/insurance should be mentioned for comparing the rates)

- iii) Copies of packing list identifying the contents of each package;
- iv) Insurance certificate;
- v) Manufacturer’s/supplier’s warranty certificate;
- vi) Pre-dispatch inspection certificate issued by the purchaser’s nominated inspection agency (if so specified) and the supplier’s factory inspection report; and
- vii) Certificate of origin.

The above documents shall be received by the purchaser and other authorities

mentioned above at least one week before the arrival of goods at the port or place of arrival and, if not received, the supplier will be responsible for any consequent expenses.

b) For goods supplied from within India:

Within 24 hours of dispatch of the goods, the supplier shall notify the complete dispatch details to the purchaser and/or the purchaser's nominated authorities (as specified in the contract) and the insurance company. The supplier shall also mail the specified number of copies of the following documents to them:

- i) The supplier's invoice showing contract number, description of goods, quantity, unit price and the total amount;
- ii) Railway receipt or Delivery note;
- iii) Packing list identifying contents of each package;
- iv) Insurance certificate;
- v) Manufacturer's/Supplier's warranty certificate;
- vi) Pre-dispatch inspection certificate issued by the purchaser's nominated inspection agency (is so specified) and the supplier's factory inspection report; and
- vii) Certificate of origin.

The purchaser shall receive the documents at least one week before the arrival of the goods (except where it is handed over to the consignee with all the documents) and if not received, the supplier will be responsible for any consequent expenses.

The documents to be provided by the supplier for claiming payment are specified in GCC clause 17 ("Payment").

14. Incidental Services

 - ii) Immediately following such termination, furnishing at no cost to the purchaser, the blueprints, drawings and specifications of the spare parts, if requested.
- 15.2 Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the goods. Other spare parts and components shall be supplied as promptly as possible but in any case within three months of placement of order and opening the letter of credit.

16. Warranty

- 16.1 The supplier warrants that the goods supplied under the contract is new unused of the most recent models and incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that the goods supplied under the contract shall have no defect arising from design, materials (except when the design adopted and/or the material used are as per the purchaser's specifications) or workmanship or from any act or omission of the supplier, that may develop under normal use of the supplied goods under the conditions prevailing in India.
- 16.2 This warranty shall remain valid for 12 (twelve) months after the goods or any portion thereof as the case may be, have been delivered to the final destination and installed and commissioned at the final destination and accepted by the purchaser in terms of the contract or for 18 (eighteen) months from the date of dispatch from the supplier's works for domestic goods or for 21 (twenty-one) months after the date of shipment from the port or place of loading in the source country for imported goods, whichever is earlier, unless specified otherwise in the Schedule of Requirements.
- 16.3 The purchaser shall promptly notify the supplier in writing of any claim arising under this warranty.
- 16.4 Upon receipt of such notice, the supplier shall with all reasonable (or within the period), if specified in the Schedule of Requirements and the contract), repair or replace the defective goods or parts thereof, free of cost, at the ultimate destination. The supplier shall take over the replaced parts/goods at the time of their replacement. No claim whatsoever shall lie on the purchaser for the replaced parts/goods thereafter.
- 16.5 In the event of any correction of a defect or replacement of any defective material during the warranty period, the warranty for the corrected/replaced material shall be extended to a further period of 12(twelve) months from the date, such corrected/replaced material starts functioning to the satisfaction of the purchaser.
- 16.6 If the supplier, having been notified, fails to remedy the defect(s) within a reasonable period, if specified in the Schedule of Requirements and the contract), the purchaser may proceed to take such remedial action as may be necessary at the supplier's risk and expense and without prejudice to any other rights, which the

purchaser may have against the supplier, under the contract.

17. Payment

- 17.1 The payment shall be made in the currency/currencies specified in the contract. The supplier shall send its claim (with relevant documents, as required) to the appropriate paying authority as specified in the Schedule of Requirements and the contract. Before claiming any payment, the supplier shall ensure that all the contractual obligations for claiming that payment have been duly fulfilled.
- 17.2 The payment shall be made in the following manner and on production of the following documents.
- A) Payment for goods supplied from abroad:
- i) **On shipment:**
80% of the contract price shall be paid through irrevocable letter of credit established in favour of the foreign supplier in a scheduled commercial bank in the supplier's country acceptable to the purchaser, upon submission of the following documents:
- a) Certified copy of the fax sent by the supplier to the purchaser and others as per GCC sub-clause 10.3(a).
 - b) Supplier's signed commercial invoice showing contract number, description of the supplier goods, corresponding quantity, unit price and the total value and name(s) of the name(s) of the consignee(s) for the supplied goods.
 - c) Original clean on board bill of lading marked freight pre-paid consigned to the interim/port consignee evidencing description of the goods, quantities, relevant details about the contract number etc.
 - d) Packing list, identifying contents of each package.
 - e) Insurance policy or certificate in duplicate endorsed in blank with claims payable in India in the currency of the letter of Credit.
 - f) Manufacturer's/supplier's warranty certificate and supplier's factory inspection report.
 - g) Pre-dispatch inspection certificate issued by the purchaser's nominated inspection agency, if so specified.
 - h) Certificate of origin.
 - i) Supplier's certificate confirming that the required documents have been sent to all concerned in terms of GCC sub-clause 10.3(a).
 - j) Supplier's certificate confirming that the amounts shown in the invoice are correct in terms of the contract and that all the terms and conditions of the contract have been complied with for claiming this payment.
 - k) Any other document(s) and/or modification of above documents specified in the **schedule of Requirements** and the contract.
- ii) On final acceptance
20% of the contract price of goods received shall be paid within 30(thirty) days of receipt of goods on submission of the claim supported by the acceptance / installation / commissioning certificate issued by the purchaser or the purchaser's nominated representative.
- iii) Payment of agency commission:
Payment shall be made in Indian rupees within 30 (thirty) days of presentation of claim supported by a certificate from the purchaser confirming that the goods have been delivered, full 100% payment has been made to the foreign supplier and all other

contractual obligations, have been performed by the supplier and its agent for claiming this payment.

This payment (towards agency commission) will be made by the purchaser's paying authority specified in the contract and not through letter of credit.

B) Payment for goods supplied from India:

Payment shall be made in Indian rupees by the purchaser's paying authority, as specified in the contract (and not through letter of credit), in the following manner:

- i) 100% of the contract price shall be paid on receipt of the goods by the consignee and upon submission of following documents to the paying authority.
- a) The supplier's invoice showing contract number description of goods, quantity, unit price and the total amount.
- b) Railway receipt or Delivery note.
- c) Packing list identifying contents of each package.
- d) Insurance certificate;
- e) Manufacturer's/Supplier's warranty certificate.
- f) Pre-dispatch inspection certificate issued by the purchaser's nominated inspection agency, if so specified and the supplier's factory inspection report.
- g) Certificate of origin
- h) Provisional receipt certificate for the corresponding delivery, issued by the consignee and
- i) Any other document(s) and/or modification of above documents specified in the Schedule of Requirements and the contract.
- j) Final acceptance and installation / commissioning certificate for the corresponding delivery issued by the Purchasers representative.

C) Payment of incidental services and supervision:

The incidental services and supervision, if required separately, will be specified in the Schedule of Requirements and in the contract. The payment terms applicable for such services and supervision will also be specified therein.

17. Operation of the letter of credit:

- 3 i) The payments effected through letter of credit, shall be subject to the latest Uniform Customs and Practice for Documentary Credit of the International Chamber of Commerce.
- ii) If requested specifically by the supplier, the letter of credit will be confirmed but the cost for the same shall be charged to the suppliers account.
- iii) If the letter of credit is required to be extended/reinstated for reasons not attributable to the purchaser, the charges thereof shall be to the supplier's account.

18. Prices

- 18.1 Prices charged by the supplier for the goods supplied and the services performed under the contract shall not vary from the prices quoted by the supplier in its bid with the exception of any price adjustment authorized in the Schedule of Requirements.

19. Modification of contract.

- 19.1 The purchaser may at any time, by a written order given to the supplier pursuant to GCC clause 31, make changes and modifications within the general scope of contract in any one or more of the following:

- a) Drawings, designs or specifications, where goods to be supplied under the contract are to be specifically manufactured for the purchaser,
- b) the mode of packing
- c) the mode of dispatch
- d) the place of delivery
- e) the services to be provided by the supplier, and/or
- f) Any other area(s) of the contract, depending on the merits of the case.

- 19.2 If any change causes an increase or decrease in the cost of or in the time required for the supplier is performance of any provision under the contract, an both and the contract shall be amended accordingly. Any claim by the supplier for adjustment under this clause must be asserted within 21(twenty-one) days from the date of the supplies receipt of the purchaser's amendment/modification of the contract.

- 19.3 Subject to GCC sub-clauses 19.1 and 19.2 no variation in or modification of the terms of the contract shall be made except by written amendment signed by both the parties.

20. Assignment

- 20.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

21. Sub Contracts

- 21.1 The supplier shall notify the purchaser in writing of all sub-contracts awarded under the contract, if not already specified in its bid. Such notifications, in its original bid or later, shall not relieve the supplier from any liability or obligation, whatsoever under the contract.
- 21.2 Subcontract shall be only for bought-out items and sub-assemblies.
- 21.3 Subcontracts must comply with the provisions of GCC clause 3.

22. Delays in the Supplier's performance

- 22.1 Delivery of the goods and performance of the services shall be made by the supplier in accordance with the time schedule specified by the purchaser in the **“Schedule of Requirements”**.
- 22.2 Except as provided under GCC clause 25, any unexcused delay by the supplier in Maintaining its contractual delivery obligations shall render the supplier liable to any or all of the following sanctions:
“imposition of liquidated damages, forfeiture of its performance security and/or termination of the contract for default”.
- 22.3 If at any time during the performance of the contract, the supplier or its sub-contractor(s) should encounter conditions hindering timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). After the receipt of the supplier's notice, the purchaser as soon as practicable, shall evaluate the situation and may at its discretion extend the supplier's time for performance, in which case the extension of the delivery period shall be ratified by issuing an amendment to the contract.
- 22.4 The supplier shall not dispatch the goods after expiry of the delivery period. The supplier is required to apply to the purchaser for extension of delivery period and obtain the same before dispatch. In case the supplier dispatches the goods without obtaining an extension, it would be doing so at its own risk and no claim for payment for such supply and/or any other expense related to such supply shall lie against the purchaser.

23. Liquidated damages

- 23.1 Subject to GCC clause 25, if the supplier fails to deliver any or all of the goods or perform the services within the time period(s) specified in the contract, the purchaser shall without prejudice to its other remedies under the contract, deduct from the Contract price, as liquidated damages, a sum equivalent to 0.5% (half percent) of the delivered price of the delayed goods or unperformed services for each week of delay or part thereof until actual delivery or performance, up to a maximum deduction of 10% (ten percent) of the delayed goods or services contract price. Once the maximum is reached, the purchaser may consider
- 23.2 Termination of the contract, if the same have not been terminated already.
Further, during the above mentioned delayed period of supply and/or performance, the supplier, notwithstanding any stipulation in the contract for increase in price for any ground, shall not be entitled to any increase in price and cost, whatsoever, which take place during the period of delay. But, nevertheless, the purchaser shall be entitled to the benefit any decrease in price and cost on any ground during the period of delay.

24. Termination for default

- 24.1 The purchaser, without prejudice to any other remedy for breach of contract may by written notice of default sent to the supplier, terminate the contract in whole or in part, if the supplier fails to deliver any or all of the goods or fails to perform any other contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC clause 22.
- 24.2 In the event the purchaser terminates the contract in whole or in part pursuant to GCC sub-clause
- 24.1, The purchaser may procure, upon such terms and conditions and in such manner as it deems

appropriate, goods and/or services similar to those undelivered and the supplier shall be liable to the purchaser for any excess cost for such similar goods and/or services. However, the supplier shall continue to perform the contract to the extent not terminated.

25. Force Majure

25.1 Notwithstanding the provisions of GCC clauses 22,23 and 24, the supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majure.

25.2 For purposes of this clause, "Force Majure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable.

Such

events may include, but are not restricted to acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

25.3 If a Force Majure situation arises, the supplier shall promptly notify the purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majure event.

26. Termination for insolvency

26.1 If the supplier becomes bankrupt or otherwise insolvent, the purchaser may terminate the contract by giving written notice to the supplier, without any Compassion to the supplier, provided, that such termination will not prejudice or affect any right of action or remedy which has accrued and/or will accrue thereafter to the purchaser.

27. Termination for convenience

27.1 The purchaser, by written notice sent to the supplier, may terminate the contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the purchaser's convenience, the extent to which performance of the supplier under the contract is terminated, and the date with effect from which such termination becomes effective.

27.2 The goods that are complete and ready for shipment within 30 (thirty) days after the supplier's receipt of notice of termination shall be accepted by the purchaser at the contract terms and prices. For the remaining goods, the purchaser may elect:

- a) to have any portion completed and delivered at the contract terms and prices; and or
- b) to cancel the remainder and pay to the supplier an agreed amount for partially completed goods and services and for materials and parts already procured by the supplier for fulfilling the contractual obligations.

28. Resolution of disputes

28.1 If any dispute or difference of any kind shall arise between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve the same amicably by mutual consultations.

28.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the

matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given.

- 28.3 Any dispute or difference, in respect of which a notice of intention to commence arbitration has been given in accordance with GCC sub-clause 28.2, shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the goods under the contract.

28.4. The dispute resolution mechanism to be applied pursuant to GCC sub-clause 28 shall be as follows:-

- a) In the case of a dispute or difference arising between the purchaser and the supplier relating to any matter arising out of or connected with the contract, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, 1996. The arbitral tribunal shall consist of three arbitrators, one each to be appointed by the purchaser and the supplier. The third arbitrator shall be chosen by the two arbitrators so appointed by the parties and shall act as presiding arbitrator. In case of failure of the two arbitrators appointed by the parties to reach upon a consensus within a period of thirty days from the appointment of the arbitrator appointed subsequently, the presiding arbitrator shall be appointed by the Indian Council of Arbitration or President of the Institution of Engineers (India).
- b) The decision of majority of arbitrators shall be final and binding upon both the parties.

- c) The cost and expenses of the arbitration proceedings will be paid as determined by the arbitral tribunal. However, the expenses incurred by each party in connection with preparation, presentation etc. of its proceedings as also fees and expenses paid to the arbitrator appointed by such party or on its behalf shall be borne by each party itself.

28.5. However, where the value of the contract is Rs.15 (Rupees one and half million) and below, the disputes or differences arising in it shall be referred to a sole arbitrator. The sole arbitrator shall be appointed by mutual agreement between the parties. If the parties fail to agree on an arbitrator within 30 (thirty) days from the receipt of a request by one party from the other party to so agree, the appointment shall be made upon request of a party, by the Indian Council of Arbitration or the President of the Institution of Engineers (India).

28.6. The venue of arbitration shall be the place from where the contract is issued.

29. Governing language

29.1 The contract shall be written in English language. All correspondence and other documents pertaining to the contract, which the parties exchange, shall also be written in English.

30. Applicable law

- 30.1 The contract shall be interpreted in accordance with the laws of India.
- 31. Notice**
- 31.1 Any notice given by one party to the other pursuant to the contract shall be sent in writing or by cable, telex or facsimile and confirmed in writing to the addresses specified in the Schedule in the **Schedule of Requirements.**
- 32. Taxes and duties**
- 32.1 A foreign supplier shall be entirely responsible for all taxes, stamps duties, license fees and other such levies imposed outside India.
- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees etc. incurred until delivery of the contracted goods to the purchaser.
- 32.3 Further instruction if any shall be as provided in the **Schedule of Requirements.**

Section – V

Schedule of Quantities, Technical Specification and Quality Control Requirement

1. AUTOMATED CHROMATOGRAPHY

(Quantity: One Unit)

Specification:

1. An automated versatile chromatography system should be suitable for purifying biomolecules such as recombinant proteins (microgram to gram scale of protein) for analytical- and preparative-scale applications
2. It should work in the temperature range: 4°C to 35°C
3. Automated flow rate should be from 0.001 to 25 ml/min, with a suitable piston pump
4. Pump head piston should be made up of biocompatible material for lifelong performance and inertness with the common chromatographic buffers.
5. It should have accurate, automatic gradient formation from 0 to 100% gradient over the entire flow range of 1 to 25 ml/min.
6. It should have pressure (back pressure) range :0 to $\geq 3,650$ psi (252 bar, 25.2 MPa)
7. The Instrument should carry a Binary Gradient Mixer.
8. The system should be capable of being installed with integrated DoE as a tool for experimental design for generating precise data in fewer experiments for time and cost efficient method development.
9. The system should be equipped with a UV monitor with a wavelength of 280 nm.
10. The system should have capability of having 2 UV monitors installed at the same time for giving flexibility and increased application capability for using small and large flow cells simultaneously to detect low and high concentration proteins.
11. The system should have capability to be installed with an I/O box which receives analogue / digital signals from, or transfers analogue / digital signals to third party equipment/detectors simultaneously.
12. The system should be fully modular with flexibility for expansion to increase system capability and productivity
13. It should have Loop valve (upto five loops) for collection of intermediate fractions during multistep purification or for automated purification of up to five different samples.
14. The sample injection valve should be automated Sample Loading compatible with fixed volume loops (100 μ l, 250 μ l, 500 μ l, 1 ml, 2 ml, and 5 ml). variable volume loops, Auto sampler & Sample Pumps
15. Inlets should be expandable with up to two extra 8-position valves for expansion of buffer and sample inlet capacity
16. Outlet valve options should be available to direct the flow to the fraction collector, waste or other outlet ports.

17. The Instrument should carry a Multi Wavelength Detector (190–800 nm), salt gradient monitoring, conductivity monitor (0.01-999mS/cm), temperature monitor (4-100 oC) and pH monitor (pH 1-14) capabilities.
18. The Fraction Collector should be capable of collecting fractions based on time, number of drops & volume. Collection of peaks by peak detection, time windows (up to 20), or a combination of both. Fraction drop arm movement in an x, y motion with manually adjustable dispenser arm to tube heights ≤ 150 mm. It should carry numerous off-the-shelf racks to accommodate tubes (12–20 mm diameter), Eppendorff or other micro tubes (0.5, 1.5, or 2.0 ml), or scintillation vials.
19. The software should have in-built programmes to control all functions like instrument setup, calibration, gradient formation, method development, real-time monitoring and system control, chromatogram comparison, and peak analysis. Chromatogram Analysis Software with ≥ 10 User Licenses should be provided along with the Instrument.
20. Software should have built in templates for all the existing columns, sharing of methods and results along with remote access capabilities to systems, Scouting parameters (up to 99 runs), method queues/wizard, data evaluation, column library, report generation option, and method for combining of different purification techniques.
21. Data based software should have intuitive user interface with an interactive process picture and simplified evaluation modules.
22. Software and Firmware Upgrades should be available free of cost for the entire lifetime of the Instrument.
23. Comprehensive Warranty for 3 years on the system and service provider for the system should be locally available.

Accessories:

1. A simple purification unit having a pump flow rate of 0.1-40 ml/min or more and pressure of 5 Bar (0.5 MPa, 72.5 psi), along with fraction collector and essential accessories
2. A small scale CCD imager with built-in touch screen for imaging of Chemiluminescent Western Blots, Fluorescent proteins and DNA gel stains and white light imaging of colorimetric stains/markers
3. Micro Tube Adaptor for use with the Fraction Collector and Clear Polystyrene Tubes, 1,000 No's, 13 x 100 mm, tube for fraction collection and storage
4. Low-Pressure System Fittings Kit, Bottle Cap Kits, with 4 Bottle Caps to provide secure fittings to tubings inserted in Buffer Bottles.
5. Tool kit for instrument comprising one length of PEEK Tubing with compatible PEEK Nuts & Ferrules for Post Pump Connections.
6. One set of Gel filtration resin pre-packed columns: a) Superdex 200pg with fractionation range ~ 10 -600 kDa; b) Superdex 75pg with fractionation range ~ 3 -70 kDa; c) Sephacryl S-200HR with fractionation range ~ 5 -250 kDa; d) HisTrap columns, 5x5ml

2. -80° C DEEP ULTRAFREEZER
(Quantity: One Units)

Specification:

1. Upright/Vertical Deep freezer
2. Microprocessor Controlled Ultra low Temperature Freezer
