DIRECTOR

ICAR - NIVEDI - DETAILS OF ADVERTISEMENT FOR VARIOUS TEMPORARY POSTS *

Sl. No	Name of the project	Name of post No of Position	Education Qualification required	Experience	Remuneration	Age
1	2	3	4	5	6	7
1	CDC project on “Countrywide Surveillance for Anthrax in Livestock and Mastitis in Cattle for Protecting and Improving Health Globally: Building and Strengthening Public Health Impact, System, Capacity” (Anthrax Component) Project Duration Upto 29.09.2020	Project Assistant (One Position)	BVSc OR Master degree/MSc in Microbiology/ Biotechnology/ Bioinformatics/ Public health/ Biochemistry/ Statistics/ Life Science in any branch from recognized university with research experience in relevant subject	1. Animal handling and clinical sample collection 2. Interest in frequent travel to distant study areas 3. Knowledge on basic Microbiological techniques/medicine/therapy 4. Preference for person with laboratory working experience on Anthrax Good communication/Computer skills and spoken regional languages (Kannada/Hindi/Tamil/Telugu)	Rs.25000/- Consolidated Per month	35 years for men and 40 years for women as on the date of Advertisement
2.	Disease Burden quantification in small ruminants and impact of adopting preventive interventions on rural livestock farmers in Odisha (DST Project)	Junior Research Fellow (One Position)	PhD in Veterinary Sciences/ Agricultural Sciences/Fishery Sciences or Graduate (UG)/Post-Graduation (PG) in Veterinary Sciences/ Agricultural Sciences/Fishery Sciences with NET qualification or with proof of selection process for UG/PG through national level examination conducted by central government departments and their agencies and institutions such as ICAR, DBT, DST, DAE, DOS, DRDO, MHRD, ICAR, ICMR, IIT, IISc etc.,	1. Willing to travel to different locations in Odisha and anywhere in India to collect primary and secondary data, animal samples and to interact with various stakeholders 2. Further, baseline data collection at different intervals, implementing the intervention strategies in the selected farms, communicating and co-ordination with various stakeholders.	Rs.31,000 + HRA per month for first two years and Rs. 35000+HRA for third year	35 years for Men, 40 years for Women
3.	DBT-NER- ADMAC project entitled “Development of infectious disease information system (IDIS) and risk assessment models for trans-boundary animal disease (TAD) & other emerging livestock disease in NE region of India” Project Duration Upto 23rd April 2020	Junior Research Fellow (One Position)	MSc/M.Tech in life science with NET/GATE Qualifications/ Passed National level examinations conducted by Central Government Departments as DST, DBT, DAE, DOS, DRDO, MHRD, ICAR, ICMR, IIT, IISc, IISER	Experience in data analysis, minimum knowledge on statistical software.	Rs. 31000/- plus HRA per month	35 years for men and 40 years for women as on the date of Advertisement

4.	Immuno-epidemiological characterization of respiratory viral persistence in Pigs	Senior Research Fellow (One Position)	BVSc/BVSc&AH/BTech/BE/BSc Agri and any other professional degree or MSc with NET/GATE Qualifications/ Passed National level examinations conducted by Central Government Departments as DST, DBT, DAE, DOS, DRDO, MHRD, ICAR, ICMR, IIT, IISC, IISER	Experience in data analysis, minimum knowledge on statistical software.	Rs. 31000/- plus HRA per month	35 years for men and 40 years for women as on the date of Advertisement
5.	Institute Project (Bioinformatics)	Young Professional-II (One position)	Post graduates in Agricultural Science or graduate degree holders in engineering/technology/B.Tech in Bioinformatics/	NIL	Rs. 25000/- per month Consolidated	21 years for men and 45 years for women as on the date of Advertisement
6.	Seroprevalence of Pests des petits ruminants (PPR) in sheep and goats in India Project Duration Upto 31.03.2020	Young Professional-I (One position)	Graduate in Agricultural Science or Diploma holder in engineering/technology	<ol style="list-style-type: none"> Hands on experience in performance and standardizing ELISA Knowledge in molecular techniques such as PCR, cloning expression, purification and serological techniques Experience in the handling of zoonotic pathogens (Leptospira) 	Rs. 15000/- per month Consolidated	21 years for men and 45 years for women as on the date of Advertisement
7.	Institute Project (Understanding the Carrier status of sheep and Goats with reference to Pasteurella multocida)	Young Professional-I (One position)	Graduate in Agricultural Science or Diploma holder in engineering/technology	<ol style="list-style-type: none"> Degree holder with experience in molecular techniques like PCR, SDS-PAGE etc while working in projects for minimum 2years. Have some experience in Field survey and sample collections from animals. 	Rs. 15000/- per month Consolidated	21 years for men and 45 years for women as on the date of Advertisement

Note: Positions may increase or decrease depending upon the need of the Institute activities as well as increase or decrease of the Projects and its staff
